NOTES PER TRANS 233
*Access to S.T.H. 19 is controlled by WSDOT Right of Way Project

"All lots and blocks are hereby restricted so that no owner, possessor, user, licensee or other person may have any right of direct vehicular access from or access to any highway lying on the right-of-way of State Trunk Highway 19, it is expressly intended that this restriction constitute a restriction for the benefit of the public as provided in a 236.293, State, and shall be enforceable by the department or its assigns. Any access shall be allowed only by special exception. Any access intended by special exception shall be confirmed and granted only through the ordinary permitting process and as permitted thereunder."

"Buildings are not allowed between the right-of-way and the full lot highway setback line. It is expressly intended that this restriction is for the benefit of the public as provided in section 236.293, Wisconsin Statutes, and shall be enforceable by the Wisconsin Department of Transportation or its assigns. Contact the Wisconsin Department of Transportation for more information. The phone number may be obtained by contacting the County Highway Department."

NOTES:

- All "roadways" within this plat are hereby dedicated to the public for street purposes.
- All utilities in this plat are to be installed underground. Electric boxes, telephone pedestals and cable pedestals shall be installed no closer than one (1) foot to a property line or three (3) feet to any monument.
- Utility easements, no poles, pedestals or buried cables are to be placed on any lot line or corner.
- The disturbance of a survey stake by anyone is in violation of Section 236.32 of the Wisconsin Statutes.
- Refer to building site information contained in the Dane County Sub Survey.
- The center(s) of any lot of this plat, their heirs and/or assigns, shall not object to any of the legally permitted uses that may occur on the adjoining properties.
- This property is subject to all easements and encumbrances as are recorded.
- Quitclaim is hereby dedicated to the public for use only.
- All distances shown on this plat are closed measured.
- Open Space Corridor: no buildings or structures except underground utilities, utility pedestals, septic systems and pedestrian paths are allowed within the open space corridor.
